

Please describe (min. 350 characters, max. 800 characters).

We have been involved in projects such as going to hospitals to read stories to the kids which are hospitalized, where together with 2-3 volunteers we would bring joy to the young ones.
Every spring, together with volunteers we raise awareness to people about our mission and projects and also inform them about some of our partners in the local community, thus trying to help them to find donors.
